

Golf at Shrewsbury (all levels)

Our golf programme takes place at Shrewsbury Golf Club, Shropshire's finest golf course, situated 6 miles south of Shrewsbury.

It is led by a highly experienced PGA professional, John Richards, and his team of assistant professionals who also instruct on the covered driving range, the pitching/putting greens on the 18-hole golf course.

All aspects of the game are covered and video analysis is used to help students improve their technique.

Advanced players spend most of their time on the course whilst beginners spend half on the range and half on the course.

Transportation to the golf course is included.

This academy also includes 15 hours' English tuition on five afternoons per week.
